DASSAULT FALCON 900

DASSAULT FALCON 900

Whether you are taking the family on a luxury overseas holiday or taking a business trip to close the deal of a lifetime, the French-designed Dassault Falcon 900 seating up to 15 passengers will exceed all expectations.

This jet can fly non-stop anywhere in the Asia Pacific region, worldwide with additional fuel stops or within Australia to regional airports. Its three engines provide unparalleled safety and incredible performance, with the cabin remaining whisper-quiet in flight.

The Falcon 900 features a stand-up cabin, side-facing couches, fully stocked bar, full galley, in-flight entertainment system and restroom. This particular aircraft is appointed in high quality cream and charcoal leather seating for total comfort and style. Each seat fully reclines and rotates, with the lounge having the ability to be converted into a bed for longer journeys.

Personalised catering can be arranged on request. Depending on the number of passengers, a flight attendant is required.
