EMBRAER PHENOM 300

## EMBRAER PHENOM 300

Once you experience the Phenom 300, you'll understand why it is the best-selling light jet in the world.

Seating up to nine passengers and providing efficient, luxurious air travel, it's the perfect choice for flights within Australia and Asia Pacific.

The Phenom 300 can land at most regional airports within Australia and is particularly popular with short flights from the capital cities to destinations such as Cairns, Hamilton Island, Byron Bay, Tasmania and Uluru.

Navair's Phenom 300 is appointed with a black leather interior, club-style seating and fitted with fold-out tables and bathroom facilities. At clients' request, a second pilot can join your flight, providing the maximum level of safety for you and your family.

To cater for an extra (ninth) passenger, the co-pilot seat can be used, offering the rare opportunity to experience a flight from the cockpit of a world-class jet.

All flights include an assortment of light snacks and refreshments. Specialised catering available on request.
