CESSNA CITATION MUSTANG

## CESSNA CITATION MUSTANG

Seating up to five passengers and providing efficient, luxurious air travel, the Cessna Citation Mustang is a perfect choice for domestic flights.

Popular with both business and leisure travellers, the Mustang is the most economical jet aircraft in our fleet. This aircraft requires a sealed runway and can land at most regional airports within Australia.

Luxuriously appointed in cream leather throughout the cabin interior; four passengers can enjoy a conversation, indulge in a few drinks, or do business in the club-style seating layout. To cater for an extra (fifth) passenger, the co-pilot seat can be used, offering the rare opportunity to experience a flight from the cockpit.

Our Cessna Citation Mustang is fitted with 12v USB outlets, fold out tables, cup holders and an emergency toilet. If required, a second qualified crew member can join your flight as a co-pilot, providing the maximum level of safety for you and your family.

All flights include an assortment of light snacks and refreshments. Catering available on request.
