

GUEST PREFERENCE SHEET

Our Team aboard Nisi wish to give you a unique and personalised experience during your charter. Please complete our guest preference sheet being as specific as possible. It is important to consult with all members of your party before completing. Alternatively, please provide individual preference sheets for guests, couples or families as required. Should you request specific brands, please note that not all brands or items may be available locally at the time of purchase, but be assured that our crew will do the best they can to meet your requirements.
